

Fuzz-Dojo - Initial Survey

Your participation in this study requires a pwn.college account. If you don't have one, you must create one by visiting <https://pwn.college>. Please choose a unique but non-identifying username (pseudonym). All questions except the first one are optional and are being collected for research purposes only. Any data shared will be de-identified (i.e. not associated with your username). Supplying contact information, such as email address, is optional and will only be used for prize notification and clarification of study responses. Your participation is greatly appreciated

Estimated survey length: 15 minutes

Any Google accounts shown below will not be shared. Only contact information you provide will be registered.

* Indicates required question

1. Pwn.college username (required) *

2. What is your email address or discord ID for prize notification? (optional)

3. Are you an Arizona State University employee? (required only for prize notification)

Mark only one oval.

☐ Yes

☐ No

4. Are you an Arizona State University student? (required only for prize notification)

Mark only one oval.

☐ Yes

☐ No

5. What is your US resident status? (required only for prize notification)

Mark only one oval.

☐ US citizen

☐ permanent resident

☐ nonresident alien

☐ not in the United States

6. What is your current occupation?

Mark only one oval.

☐ Developer

☐ Technical Lead

☐ Security Expert

☐ Researcher / Academics

☐ Bug Hunter

☐ Engineering Manager

☐ Hobbyist

☐ Other:

7. How many years have you been working with fuzzing tools and/or fuzz driver development?

Mark only one oval.

- ☐ <3 years
- ☐ 3-5 years
- ☐ 6-10 years
- ☐ 10+ years
- ☐ Other:

8. How do you rate your experience with writing fuzz drivers?

Mark only one oval.

- ☐ No experience
- ☐ Novice
- ☐ Experienced
- ☐ Expert
- ☐ Other:

9. How do you rate your experience using OSS-Fuzz, Libfuzzer, and AFL?

Mark only one oval.

☐ No experience

☐ Beginner

☐ Intermediate

☐ Advanced

☐ Expert

☐ Other:

10. How familiar are you with reading and understanding a large program in the following languages?

Mark only one oval per row.

	1	2	3	4	5
C	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
C++	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

11. How familiar are you with writing a program from start to finish in the following languages? (1=Not familiar, 2=Slightly familiar, 3=Somewhat familiar, 4=Very familiar, 5=Extremely familiar)

Mark only one oval per row.

	1	2	3	4	5
C	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
C++	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

12. How familiar are you with modifying a large program in the following languages?
(1=Not familiar, 2=Slightly familiar, 3=Somewhat familiar, 4=Very familiar, 5=Extremely familiar)

Mark only one oval per row.

	1	2	3	4	5
C	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
C++	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

13. Which country do you live in?

14. What type of software you develop/test?

Check all that apply.

- ☐ Desktop applications
- ☐ Web applications
- ☐ Mobile applications
- ☐ Embedded software
- ☐ Enterprise applications
- ☐ Other:

15. How many years of experience you have with software development?

16. How did you gain your development skills?

Check all that apply.

- ☐ University
- ☐ On-the-job
- ☐ Free online courses
- ☐ Paid online courses
- ☐ Self-taught
- ☐ Other: _____

17. If you are a student, what university are you enrolled, and what is your subject?

18. Do you have a university degree?

Mark only one oval.

- ☐ Yes
- ☐ No
